

## Summer Institute - Day 2 PM

Internet resources

<http://wordgen.serpmedia.org/>

Word Generation is a supplementary curricular resource that offers a series of discussable dilemmas designed to promote students' academic language and argumentation skills. Each one-week unit is focused around a social or civic dilemma with short activities in ELA, science, social studies, and math, and five target academic vocabulary words are incorporated into each of those activities.

<http://www.readworks.org/>

ReadWorks provides research-based units, lessons, and authentic, leveled non-fiction and literary passages directly to educators online, for free.
